

## Dear ladies and gentlemen!

Thank you for your decision to support anniversary [information security conference UISGCON15](#). During its history the conference grew out of the format of meetings of several dozens of information security professionals to the largest thematic conference in Ukraine. Since 2011 UISGCON is conducted by NGO 'Ukrainian information security group'. This year's UISGCON15 will be held on December 06, 2019 in the President Hotel (12 Hospitalna st, Kyiv).

### Why UISGCON?

UISGCON is a platform for sharing knowledge and experience, as well as for attracting new enthusiasts, disseminate cyber hygiene practices and inform the public about the most pressing issues in the field of information and cyber security. UISGCON is the birthplace of the infosec community and place for its meetings in a wide format.

UISGCON aims to combine information security with business and public policy, practice and training. The principle of the conference remains the same - the absence of product advertising in participant reports, because we strive for universal approaches to solving of information security problems. At the same time, businesses are provided with the best opportunities - from placement of stands and information materials to open communication with potential customers, employees and contractors.

### UISGCON audience

We are honored to welcome specialists of different levels and areas at the conference. The audience of UISGCON consists of cybersecurity specialists and their highly qualified chiefs, business owners, government officials, teachers and students. This is where the professionals who want to protect their business and information meet specialists who can offer solutions to these problems. UISGCON is visited by 300-400 professionals annually who seek communication with like-minded people, gaining new knowledge and help with their issues. In addition to representatives of the Ukrainian business and the cybersecurity community our speakers and visitors include guests from Turkey, Poland, Taiwan, the US, the Netherlands and other countries.

### Terms and Conditions

UISGCON is an open conference that has its own rules and code of conduct for all participants, visitors and organizers. The highest quality of the content for our visitors is guaranteed by the program committee. Organizers also guarantee a constructive, inclusive and enjoyable atmosphere for all UISGCON participants. The UISGCON Code of Conduct is available on the website [15.uisgcon.org](http://15.uisgcon.org). Thank you and look forward to seeing you at UISGCON15!
